

Online Business Banking FAQ's

Access Online Business Banking by visiting SkowheganSavings.com

How Do I Enroll?

Visit one of our convenient branch locations or call us at 800.303.9511.

What is the cost?

Basic Online Business Banking is free to all business customers. Fees may apply for ACH, Wire and Remote Deposit Capture processing.

Why would I need multiple user IDs?

This allows you to establish online access to your business accounts for multiple individuals, each with different permissions and restrictions. You control which accounts and transactions are available for each user.

What is ACH processing?

ACH processing enables you to electronically transmit your employee's payroll funds directly to their bank account (s). Eliminate paper checks and delayed availability. (Application and approval required.)

Can I transfer funds to another institution?

Wire transfers are used to transfer funds to an account held at a different banking institution. Easily and securely submit your request online and we will promptly process the outgoing wire. The wire fee is reduced for initiating online. (Application and approval required.)

What is Remote Deposit Capture?

RDC enables you to conveniently and securely scan and deposit customer checks electronically from your business. (Application and approval required.)
